ABOUT THE PROJECT

Hillsedge at Dubai Hills Estate is a premium residential development by Emaar Properties designed around active living, wellness and direct access to green spaces. Positioned alongside **Hillside Park**, the development offers contemporary apartments with views toward the park and Dubai skyline.

The residential collection is limited to **1 and 2-bedroom apartments**. Current project inventory shows one-bedroom layouts from approximately **708 to 778 sq. ft.**, while two-bedroom residences range from approximately **1,092 to 1,351 sq. ft.**

This makes Hillsedge particularly suited to professionals, couples, smaller households and investors rather than buyers seeking large three- or four-bedroom family residences. An available two-bedroom unit listed directly by Emaar, for example, measures **1,140 sq. ft.**

The development's identity is closely tied to **Hillside Park**. Apartments are designed to maximise natural light, with balconies providing views toward either the expansive park or Dubai's skyline. Emaar positions the project around a balance of recreation, relaxation and physical wellbeing.

Residents have access to an extensive collection of amenities, including **indoor and outdoor gyms, adult and children's swimming pools, multi-level children's play areas, sports courts, jogging tracks, a yoga deck, parkour area, skate bowl, mini-golf, outdoor cinema, amphitheatre and picnic and barbecue areas.**

Hillsedge also benefits from the extensive infrastructure of **Dubai Hills Estate**. Emaar states that the master community spans approximately **2,700 acres** and incorporates an **18-hole championship golf course, 1.45 million sq. m. of parks and open spaces, the 180,000 sq. m. Dubai Hills Park, Dubai Hills Mall, schools and 54 km of cycling routes**.

Connectivity is another major advantage. Dubai Hills Estate sits between Downtown Dubai and Dubai Marina and provides convenient access through **Al Khail Road**. Emaar also highlights planned future connectivity through Dubai Metro and Etihad Rail.

Current project records place completion on **31 January 2029**, making **Q1 2029** the appropriate handover status for the website. The standard payment structure is **80/20**, comprising 10% at launch, 70% during construction and 20% at handover.

From an investment perspective, Hillsedge combines **Emaar branding, Dubai Hills Estate positioning, proximity to major parkland and relatively compact apartment configurations**. Its location within an established premium master community differentiates it from projects whose investment case depends primarily on future surrounding development.

Individual apartments should be compared according to **tower, floor, internal area, Hillside Park or skyline orientation, balcony configuration and acquisition price per square foot**. View and floor can be particularly important because the project's positioning places significant emphasis on its park and skyline outlooks.
